

For Democracy to work the voters must be involved!

For a [Representative Democracy](#) to be a functioning democracy there needs to be an effective, efficient & timely way for the voters of each electorate to tell their Representative how they want them to vote on [Bills before Parliament](#).

The [Dickson Representatives](#) have [developed a process](#) that provides multiple ways for Dickson voters to tell their elected Representative in Parliament how they want them to vote on Bills.

Unnotified Voter For voters who don't have the time to get directly involved ... [more >](#)

Notified Voter For voters who occasionally want to vote on Bills themselves ... [more >](#)

Self Representation For voters who want to manage their own vote ... [more >](#)

Bill Representative For Voters or Community Reps who want to represent Bills ... [more >](#)

Community Representative For Voters who want to represent other voters in the Community ... [more >](#)

Candidate For Community Reps who want to stand for elected office ... [more >](#)

Federal Member For Federal Members to be informed and/or instructed on how to vote on Bills ... [more >](#)
